

Give Her Wings

Annual Ministries 2022

We have provided...

- Support to 30 families who have recently left abuse
- \$1500 grants to women with emergency needs
- Sent five substantial gift packages to each family for Valentines Day, Pantry Fill, Mothers Day, Back-to-School and Christmas

We were able...

- To bring on seven new volunteers to help us minister to the women we serve
- To bring on a part-time administrative assistant

We started... Our first Church taking a group of congregants through Give Her Wings Academy, 55 people, from 20 states and 5 countries, graduated from The Academy and began launching their own ministries to abused women in their communities.

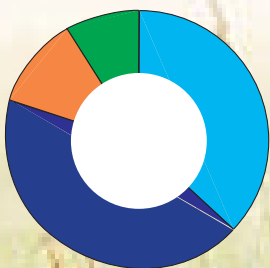

We saw... 98 new students join the Academy, to learn how to help domestic abuse victims in their churches.

We show... The love of Christ to the downtrodden, broken-hearted and oppressed.

We serve... Spiritual widows and orphans.
